I would order the *World Evangelism Catalog*, P.O. Box 72, Winona, MS 38967. There are dozens of *excellent sources on missions and missionaries experiences!!* I will only mention a few by name, but there are many good ones here.

In addition to these sources, there are specific books on various religions (Introductions), as well as the texts of the various religions (the *Book of Mormon*, the *Bhagavat Gita*, the *Ramayana*, the *Qur'an*, the *Vedas*, etc.), and also good sociological and historical studies of various countries of the world. These books are specific to each and every country, so I found it impractical to begin listing these! However, it is very useful and necessary to study the countries that you are interested in working within.
